

**Northern Illinois Veterans Memorial**

Dedicated  
May 27, 1991

Franklin Township Park, Kirkland, Illinois

To Whom It May Concern,

I am writing to you on behalf of the Northern Illinois Veterans (NIVM) Committee to ask for your support in restoring our Veterans Memorial.

As you know, NIVM is a sacred place where we honor the service and sacrifice of our veterans. The memorial is a place where families and friends can come to remember and reflect on the lives of their loved ones.

Unfortunately, the memorial has been damaged by weather and sun over the years. Many of the name panels are now unreadable, and the overall condition of the memorial is deteriorating.

The NIVM is seeking donations to help restore the memorial and set aside funds for future maintenance needs. The current project is to replace the damaged name panels.

Any donation, no matter how small, would be greatly appreciated. Your donation will help us to ensure that the NIVM memorial remains a place of honor and respect for our veterans for generations to come.

To make a donation, make checks payable to
